

Al-Teek Company for General Contracts

CERTIFICATE OF APPRECIATION

Jan 26, 2010

DALAL Steel Industries provided Al-Teek Company for General Contracts (Sub Contractor for the U.S. Army in Iraq) with the Design, Planning & Manufacturing of 26 Cold Storage rooms as follows:

- 1- (QTY 10) Refrigerators, Size: 1500cm X 750cm X 400cm
Inside Temperature: Between +12 & +18 Degrees C.

- 2- (QTY 10) Refrigerators, Size: 1500cm X 750cm X 400cm
Inside Temperature: Between +6 & +10 Degrees C.

- 3- (QTY 6) Freezers, Size: 1500cm X 750cm X 400cm
Inside Temperature: Between -18 & -10 Degrees C.

The project includes:

Supplying the Cold Storage Rooms, Including Steel Structures, Walls, Roof Sandwich panel, Flashing, Cooling Units, Sliding Doors, Air Curtains, Electricals & all necessary accessories for job completion.

The above project was executed by DALAL personnel in a very professional manner which proved their professional capacity in carrying out such work.

DALAL was able to execute the job within the time line set out for the completion of the projects, meeting deadline & helping in problem solving.

Finally I would like to thank the firm & all the technical personnel for the effective collaboration & outcome. Surely we will continue to work with DALAL Steel in the future.

For further information, don't hesitate to contact Mr. Marwan Al Ramahi who can be reached at
