TO WHOM IT MAY CONCERN

This is to certify that DALAL STEEL INDUSTRIES is the main contractor for KEY FREIGHT SERVICES, Free zone-Beirut Port, Lebanon.

DALAL STEEL INDUSTRIES was responsible for the design, manufacturing, delivery and installation for the steel structure building of 2250 square meters.

All work was done with such high quality standard.

The delivery time was according to the schedule.

The cost of the project was US\$350,000.

We would like to send our many thanks to DALAL STEEL INDUSTRIES for their professionalism and their very kind service.

Jean Mamo
