TO WHOM IT MAY CONCERN,

On behalf of Primesouth, it is my pleasure to provide a letter of recommendation for Dalal Steel contracting.

In February 2017, Dalal Steel Industries designed, fabricated, constructed and installed two fully functional labor camps one in Zahrani and the other in Deir Ammar in a timely fashion. They adhered to contract specifications and provided the resources and expertise to successfully meet our needs. Their management skills and performance have exceeded our expectations.

Primesouth Lebanon SAL would highly recommend Dalal Steel for to any organization and would not hesitate to use Dalal Steel for future projects.

Sincerely,

PRIMESOUTH
